

Health and Safety Policy Document

Health and Safety policy statement

Aarons Contracting Ltd is committed to maintaining a safe and healthy working environment for the safety and health of our employees and other persons in the workplace.

Health and safety is our priority, and we expect everyone to share in our commitment to avoid all accidents and incidents which may cause personal injury, property damage or loss of any kind.

We will ensure the safety of employees by:

- Providing and maintaining a safe working environment.
- Providing facilities for health and safety.
- Ensuring all plant and equipment is safe.
- Ensuring employees are not exposed to unmanaged or uncontrolled hazards.
- Developing and implementing emergency and evacuation procedures.

To achieve this we will:

- Systematically identify and control all hazards in our workplace. Where there are significant hazards we will take all practicable steps to eliminate, isolate and or minimize these hazards to prevent any injury or damage.
- Inform all employees of all these hazards and the hazard controls.
- Ensure all employees are properly trained and supervised.
- Inform all employees of emergency and evacuation procedures.
- Record all incidents and accidents in our workplace, and take all practicable steps to prevent these events from occurring.
- Carry out work according to guidelines set in the Approved Codes of Practice for Safety and Health in:
 - Tree work
 - Excavator operations
 - Forestry operations
- Carry out planned self-inspections to monitor health and safety issues.
